Re: Request for Lien Reduction — Patient: Marcus Nwachukwu; Date of Injury: March 14, 2024

To whom it may concern:

This office represents Marcus Nwachukwu. The case has settled for \$145,900.00, an amount that is far below the full value of the claim because of limited insurance coverage. Your lien is one of 3 asserted against the recovery, which together total \$68,294.02.

Under Civil Code section 3045.4, a hospital lien may not exceed 50 percent of the recovery after attorney fees and costs, and the common-fund doctrine requires lienholders to share in the cost of procuring the recovery.

Lien detail as we understand it: Wilshire Spine & Injury Center \$20,240 to \$11,983; Koreatown Physical Therapy Associates \$31,219 to \$10,762; California Department of Health Care Services (Medi-Cal) \$16,835 to \$9,531.

Please confirm in writing the reduced amount you will accept as payment in full so that we can disburse the settlement promptly.

Very truly yours,

ALVARADO & SUNG LLP
